2.1.2 BACKGROUND

The Office of the Attorney General is the designated IV-D Agency for the territory of Guam. The Child Support Enforcement Division, within the OAG, administers Guam’s child support program. More information about OAG and CSED can be found online at:

http://www.guamag.org/
http://guamcse.net/

Statutes describing the administration of CSED’s program are contained within Title 5 of the Guam Code Annotated, Chapters 34 and 35, and can be found online through the Guam Compiler of Law’s website at:

http://www.guamcourts.org/CompilerofLaws/GCA/title5.html

A. Tracking of money collected as child support

As part of its operations, CSED collects payments from parents who owe child support and disburse these collections to parents who are entitled to receive child support. On occasion, money collected may not be disbursed for a variety of reasons, such as:

1. Disbursements sent by mail were returned
2. Disbursements sent by mail remain uncashed
3. The parent who was to receive a payment cannot be located
4. Payments received by CSED were put on hold pending a review of the child support case
5. Money received by CSED does not have a corresponding child support case
Money received by CSED as a child support payment, but not disbursed, is referred to as an Undistributed Collection (UDC).

Currently, most payments are received by Electronic Fund Transfer; garnishment of tax refunds that are transferred to CSED by local or federal tax agency; or cash or check payments to the Treasurer of Guam. Some payments are received in check form from child support offices in other jurisdictions. Check and cash payments are made to the Treasurer of Guam within the Guam Department of Administration (DOA), and after receipt by the Treasurer, are transferred daily from that office to the Child Support Trust Account.

The Child Support Trust Account is held as a bank account of the Government of Guam, but separate and apart from the government’s revenue accounts. (see 5 GCA 34111.1)

Tracking of payments and disbursements has been managed for several years by the State Disbursement Unit (SDU) within CSED. Prior to that, these tasks were managed by external vendors.

CSED tracks the UDC balance using a combination of its case management system, DOA’s financial management system, and physical records.

CSED’s case management system is called APASI (Absent Parent Automated System Information). Information about receipts and disbursements associated with a child support case is input into APASI daily by CSED SDU staff. The APASI system began tracking UDC in 2004. Manual records are used to track UDC for periods prior to the implementation of the APASI system.

Money paid into and disbursed from the Child Support Trust Account is also reflected in DOA’s AS400 financial system, which tracks amounts paid into the account as well as checks that have been written from the account. UDC within AS400 is reflected primarily as checks that were cut and have yet to be cashed.

UDC is also represented in the statements issued by the bank that holds the Child Support Trust Account, which as of the time of this writing, is the Bank of Guam.

**B. Historical reviews of UDC**

The Guam Office of Public Accountability (OPA) has conducted at least 3 audits of CSED operations, including the status of UDC, since 2003. Each of these audits is available online as follows:

The status of UDC is documented to varying extent in each of the OPA reports, and the full reports provide significant detail of the potential issues that will be encountered in resolving UDC. Vendors are expected to have knowledge about the OPA reports regarding UDC. The following excerpts indicate some of the long-standing concerns associated with UDC:

From the 2003 audit:
- p. 6, Overall Findings, “As of August 2003, the Child Support Trust Account had $2.9 million in undistributed collections, $368,000 in unknown collections, and another $2.1 million in unreconciled trust account balances for a total of $5.4 million that has yet to be disbursed”
- p. 24, Finding 4: Child Support Trust Account, “Because undistributed collections accumulated as far back as 1996 and possibly even earlier, it appears that the reason for the cumulative increase in UDC was the lack of emphasis in resolving the UDCs in prior years”
- p. 28, Finding 4: Child Support Trust Account Balance Trends, “We conducted an analysis of the Child Support Trust Account balance for July 24, 2003, which at the time was $5,798,710. Based on UDC data given to us, $2,933,743 of this balance is undistributed collections (dating back to 1996). Chase Global records also indicated that $825,217 was for unknown collections. We were not able to identify the remaining balance of $2,039,750 in the Child Support Trust Account. …We recommend that the Child Support Enforcement Division coordinate with the State Disbursement Unit to identify and determine the source of the $5.4 million in trust account balance. Additionally, we recommend that immediate actions be taken to reconcile the APASI records with the bank statements”

From the 2006 audit:
- Executive Summary, “Undistributed Collections not reconciled. In September 2005, the Department of Administration (DOA) reported undistributed collections of $6.5 million, the APASI system reported $2.5M, and the child support bank account had a balance of $2.8M. No reconciliations of these accounts were performed during the scope period of our review. These three sets of records should reconcile to the same amounts.”
- Executive Summary, “Disbursement information not timely transmitted. During the period covered by our follow-up review, DOA Accounting has been unable to reconcile monthly child support bank statements to the child support cash and liability accounts
because check disbursement information from OAG was not timely. As of October 2006, however, OAG began sending the information to DOA on time and bank reconciliation is now current through September 2006. However, the child support cash and liability accounts still have a variance of approximately $3.7M.”

- p. 3, Results of Follow-Up Review, “Undistributed Collections not reconciled. As of September 2005, no reconciliations were made between the Department of Administration’s (DOA) AS400 child support undistributed collections account, the APASI system’s undistributed collections, and the child support bank account”

- p.6, Increased Undistributed Collections Per DOA’s AS400, “In OAG’s letter dated October 30, 2005 to the federal Administration for Children and Families (ACF), OAG’s new systems vendor indicated that the reported undistributed collections of $5.2 million was a carryover amount taken from the previous quarter (June 30, 2005) that were reported by OAG’s former systems vendor and was beyond the new vendor’s control. The new vendor reported that the undistributed collections is only $2.5 million as of September 2005; therefore, we concluded that the difference of approximately $3 million was written-off because the Guam CSED was ‘unable to balance the prior or carryover of undistributed collections’ with the $2.5 million. The write-off was not communicated to DOA and represent part of the unreconciled difference between the two entities’ records. … Until collections are accurately reconciled and diligent efforts to locate the custodial and non-custodial parents are exerted, undistributed collections will continue to grow.”

From the 2016 audit:

- Executive Summary, “Reconciliation Process Improved between CSED and DOA. In 2011, the Attorney General of Guam and the DOA Director signed a letter to the U.S. Department of Health and Human Services (HHS) Administration for Children and Families (ACF) regional Grants Management Officer outlining a Financial Reconciliation Action Plan to address the lack of UDC accountability, most notable irreconcilable differences and amounts unreported and long outstanding. In our previous report, we found that there were no reconciliations performed and a $4.0 million difference between CSED and DOA. Since this action plan, DOA and CSED have been reconciling the amounts. As of September 30, 2014 the unreconciled amounts are $10,183 between CSED and the bank balance, and $531,481 between CSED and DOA.”

- Executive Summary, “Undistributed Collections Balances Have Not Changed … Most of the UDCs, $3.2M, or 64% of the UDC balance, are in stale-dated and uncashed disbursements. A total of $3.6M, or 73% of UDCs were over five years old and mainly comprised of two obsolete child support bank accounts that do not have adequate records.”
C. Current State of Account Reconciliation

CSED currently submits semi-yearly reports of reconciliation of amounts held in child support accounts between the AS400 system, the APASI system, and bank statements. The most recent submission, for the period ending March 31, 2018, follows as Table 1.

D. Current UDC amounts

The current UDC amount is estimated to be around 5.3 million dollars, as reflected in Table 2.

The types of records supporting the amounts in Table 2 are:
1) physical checks that were printed and mailed to a consumer, then returned by the postal service to CSED. These checks number over 4,000 and date as far back as 1991;
2) electronic records maintained by the Department of Administration, or physical bank statements, indicating that a check was printed and remains uncashed;
3) electronic records of amounts received by CSED and not yet distributed to a consumer; and;
4) bank records of amounts in the Child Support Trust Account.

Additionally, CSED submits quarterly reports to OCSE about UDC, including the age of UDC amounts. For the quarter ending June 30, 2018, CSED reported age of UDC as follows:

E. Escheatment of UDC

Although Guam currently has a law regarding escheatment of undistributed collections, it is OAG’s intent to seek revision of the law to clarify the process of escheatment, and to establish standards for review of UDC before escheatment is considered.
2.1.3 – PURPOSE

CSED seeks sealed proposals from responsible and qualified financial management or auditing entities to conduct a thorough analysis of CSED’s UDC. A proposal should detail activities, elements of work, methodologies, and analyses the vendor deems necessary to reconcile UDC records; and to determine the actual current balance of UDC, sums attributable to child support cases, and the cost-effectiveness and probability of successful distribution of the UDC.

The selected vendor will produce a detailed list and timetable of deliverables which shall include a final written report that details the scope of the completed review and findings and recommendations for resolution of the UDC. Contracted services will also include availability of a qualified vendor representative to consult or testify in-person for up to two eight-hour days before stakeholders and/or legislators.

Restriction against Sex Offenders Employed by service providers to Government of Guam from working on Government Property.

If a contract for services is awarded to the bidder or offeror, then the service provider must warranty that no person in its employment who has been convicted of a sex offense under the provisions of chapter 25 of Title 9 of Guam code Annotated or of an offense defined in Article 2 of chapter 28 of Title 9 of the Guam Code annotated, or who has been convicted in any other jurisdiction of an offense with the same elements as heretofore defined, or who is listed on the Sex Offender Registry, shall provide services on behalf of the service provider while on government of Guam property, with the exception of public highways. **Notes:**

1. This report is submitted pursuant to letter dated March 9, 2012 from OCSE Grants Officer P. Colonnese.

2. “Guam CSED APASI Net Undistributed Collections” includes amounts dating back to 1991. In 1991, child support collections were maintained in accounts administered by the Department of Administration (DOA), an agency within the Government of Guam that is separate from Guam CSED. The Net Undistributed Collections also includes amounts accrued prior to the implementation in 1996 of the current state child support accounting system, APASI (Absent Parent Automated System Information).

3. “AS400” refers to the financial system maintained by DOA. DOA receives collections and distributes payments on behalf of Guam CSED.

4. The Guam CSED Net Undistributed Collections and DOA AS400 balances are not fully reconciled for the following reasons:

   a. The Net Undistributed Collections includes amounts that were present in Guam CSED’s accounts prior to the implementation of the APASI system. The exact pre-APASI amounts (as opposed to those amounts tracked in the APASI system) remain unknown. When APASI was adopted in 1996, the balance of the Net Undistributed Collections from 1991 to 1996 was not
carried over to APASI. APASI started operating with a zero beginning balance. This explains why the CSED Bank of Guam Account and DOA have more funds in their accounts compared to APASI.

b. There are three systems involved: CSED Bank of Guam Account, DOA, and Guam CSED APASI. There are timing differences between the three systems:

i. Collections received on TANF cases disburse at the end of the month.

ii. Tax collections are disbursed after 30 to 60 days based on the tax filing status.

iii. When checks are not cashed, DOA cancels them after one year, whereas APASI cancels them after six months. When checks are cut, DOA’s balance is reduced automatically; this does not occur for the CSED Bank of Guam account. DOA reconciles with the CSED Bank of Guam account on a monthly basis.

iv. The IRS Tax Collection amounts that transfer from DOA to CSED trust account can be delayed anywhere between 30 to 60 days as it requires CSED to initiate the request, and to be reviewed by DOA before the funds are transferred. APASI shows a collections amount, whereas Bank and DOA reflect the collections later.

c. Interest earned is not reflected in the APASI balance. The interest stays in the CSED Bank of Guam account and is also recorded in the DOA general ledger.

Note: The Child Support Enforcement monthly details are for tracking purpose only on monthly collections and disbursements at the end of the month. It won’t reconcile with the Child Support Enforcement quarterly report balance as the receipts that were reported in the first month of the quarter may have been moved to previous quarter or refunded to non-custodial parents, which decrease the overall collections for the quarter.

THIS AGREEMENT is entered into by and between the OFFICE OF THE ATTORNEY GENERAL OF GUAM (“OAG”), an agency of the government of Guam, whose address is 590 S. Marine Corps Drive, Suite 901, Tamuning, Guam 96913 and [VENDOR] (“Contractor”), whose address is __________________________________________.

WHEREAS, OAG issued a Request for Proposal (“RFP”) OAG RFP 001-2019 for Professional Services for Analysis and Recommendation for Resolution of Undistributed Child Support Collections attached herewith as Exhibit 1;

WHEREAS, OAG has determined it does not have adequate personnel or resources to perform the services contemplated in this agreement and it is in the best interests of OAG to have such services performed under contract;

WHEREAS, Contractor responded to the RFP by submitting a proposal (“Proposal”) to provide services in accordance with the RFP, and was selected as the most qualified offeror;

WHEREAS, by submitting its Proposal, Contractor warrants and represents that it possesses the necessary knowledge, resources and experience to perform the work and services herein described professionally, skillfully and diligently; and

WHEREAS, OAG desires to retain Contractor for specific services on the terms and conditions set forth in this Agreement and Contractor has agreed to accept such terms and conditions;

WITNESSETH, in consideration of the mutual covenants hereinafter set forth, the Parties agree as follows:

I. Statement of Services to be Performed.

A. Scope of Work. The Contractor shall provide professional consulting services for the OAG, as described in the ______________________ dated ______________________ attached herein as Exhibit 2. Specified dates for performance of tasks may be amended by written agreement between OAG and Contractor’s authorized representative. Contractor shall provide status reports on the services performed as required under this Agreement or more frequently as requested by OAG. Contractor recognizes that
failure to perform any services required under this Agreement per the terms and conditions herein constitutes a material breach of this Agreement.

B. **Contractor Provisions of Resources.** Contractor agrees to furnish all qualified personnel, facilities, tools, equipment, materials and transportation to perform the services and work provided for in this Agreement. Contractor represents that it and its employees possess the professional and technical expertise necessary to perform the services called for in this Agreement in a competent, professional manner, in line with the services of a typical Contractor engaged in the same and similar field as Contractor herein. OAG may, in its sole discretion and based upon availability, provide staff assistance to Contractor in furtherance of this Agreement. The Contractor shall insure that its employees engaged in work hereunder are informed of all relevant provisions of this Agreement.

C. **Other Work.** OAG acknowledges and agrees that Contractor may provide services to other clients, persons or companies apart from the services performed in this Agreement, as long as the performance of such other services does not in any way conflict with or hinder the performance of services herein. In the event OAG discovers or determines that the Contractor is providing services to a third party which conflicts with or hinders the performance of services under this Agreement, Contractor must immediately cease performing those third party services upon being provided written notice by OAG and OAG may invoke any further available remedies under the terms of this Agreement.

D. **Location of Services.** Contractor may perform the services under this Agreement at any suitable location as approved by OAG.

**II. Term of Agreement.**

A. This Agreement shall be effective upon its full execution by all necessary parties until __________________________. It may thereafter be renewed for up to __________ additional terms of one year upon written agreement between OAG and Contractor’s authorized representative. Such renewal shall be subject to the certification and availability of funds available for these services.

B. This Agreement will be cancelled if funds are not appropriated or otherwise made available to support continuation after this fiscal year. OAG shall provide timely notice if funds are not available for continuation of contract beyond the fiscal year. In the event of cancellation due to unavailability of funds, Contractor will be reimbursed unamortized, reasonably incurred, non-recurring costs.

**III. Compensation.**

A. **Compensation.** Compensation for Services: Contractor shall receive compensation from OAG for Services as provided for in the dated attached herein as Exhibit 2 to this Agreement and in an amount not to exceed ($____________).
B. **Expenses.** Contractor shall be solely responsible for all expenses incurred in the performance of services under this Agreement unless otherwise expressly provided for herein.

C. **No Compensation Prior to Approval of Agreement.** OAG shall not be liable to Contractor for any services performed by Contractor prior to full execution of this Agreement by all parties, and Contractor expressly waives any and all claims for services performed in expectation of this Agreement prior to its full execution.

D. **Final Payment.** Final payment shall be made upon satisfactory performance of all services required to be performed by Contractor under this Agreement. Prior to the final payment due Contractor, and as a condition precedent thereto, Contractor shall execute and deliver to OAG a release in form approved by OAG of claims against OAG arising under this Agreement. Contractor expressly waives the provision of Section 82602 of Title 18, Guam Code Annotated, which states:

> A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

E. **Payment.** All rates and prices and payments to the Contractor shall be in the currency of the United States.

IV. **Early Termination.**

A. **By OAG.** OAG reserves the right to cancel or terminate this Agreement prior to its completion for reasons including, but not limited to, the following:

   (i) **Termination without Cause:** OAG may terminate this Agreement, without cause, upon the delivery of written notice to the Contractor at least thirty (30) days prior to the intended date of termination;

   (ii) **Termination in the Best Interest of the Government of Guam:** OAG may terminate this Agreement based upon a determination that such termination is in the best interests of the Government of Guam by delivering a written notice of such termination to the Contractor and the effective date of such termination. Circumstances for termination under this clause include but are not limited to Contractor’s successful completion of services under this Agreement to the satisfaction of OAG.

   (iii) **Termination for Cause/Default:** If the Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract, or any extension thereof, otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Procurement Officer may notify the Contractor in writing of the delay or non-performance and if not cured in ten days or any longer time specified in writing by the Procurement Officer,
such officer may terminate the Contractor’s right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part the Procurement Officer may procure similar supplies or services in a manner and upon terms deemed appropriate by the Procurement Officer. The Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

(iv) Termination for Convenience. The OAG procurement officer may, when the interests of OAG so require, terminate this contract in whole or in part, for the convenience of OAG. The procurement officer shall give written notice of the termination to the Contractor specifying the part of the contract terminated and when termination becomes effective. The Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the Contractor will stop work to the extent specified. The Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The procurement officer may direct the Contractor to assign the Contractor’s right, title, and interest under terminated orders or subcontracts to OAG. The Contractor must still complete the work not terminated by the notice of termination and may incur obligations as necessary to do so.

The Contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data to the extent required by 2 GAR §3118. If the Contractor fails to file a termination claim within one year from the effective date of termination, the procurement officer may pay the Contractor, if at all, an amount set in accordance with this section. The procurement officer and the Contractor may agree to a settlement provided the Contractor has filed a termination claim as required herein and the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by OAG and the contract price of the work not terminated. Absent agreement of a settlement, the procurement officer shall pay the Contractor the following amounts: with respect to all contract work performed prior to the effective date of the termination, the total, without duplication of any items, of: (a) the cost of such work plus a fair and reasonable profit on such portion of the work (such profit shall not include anticipatory profit or consequential damages) less amount paid or to be paid for completed portions of such work; provided that if it appears that the Contractor would have sustained a loss if the entire contract would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss; (b) cost of settling and paying claims arising out of the termination of subcontracts or orders pursuant to this clause. These costs must not include costs paid in accordance with subsection (a) above; (c) the reasonable settlement costs of the Contractor including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the contract and for the termination and settlement of subcontracts thereunder. The total sum to be paid the Contractor under this subsection shall not exceed the total contract price plus the reasonable settlement costs of the Contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies or materials under this section, and the contract price of work not terminated.
B. By Contractor.

(i) Termination for Cause: Contractor shall notify OAG in writing of deficiencies or default in the performance of OAG’s duties under this Agreement. OAG shall have twenty (20) days to correct the deficiency or cure the default, which period may be extended by Contractor (said extension not to be unreasonably denied). Upon 60 days’ written notice of Contractor’s termination of this Agreement for cause, the Contractor shall be entitled to payment, in accordance with Section III of this Agreement, for satisfactory services rendered up to the termination date and OAG shall have no obligations to Contractor. The Contractor shall be obligated to continue performance of services, in accordance with this Agreement, until the termination date and shall have no further obligation to perform services after the termination date.

C. Termination/Modification for Lack of Funds. OAG may terminate or modify this Agreement based upon a lack of funding. In such an event, OAG shall promptly provide notice to Contractor and within twenty (20) days of the notice, the Parties shall renegotiate the terms of this Agreement in good faith. If the parties are unable to reach an agreement on the renegotiation, then either Party may terminate this Agreement pursuant to Section IV of this Agreement as applicable.

D. Preservation of Property. Notwithstanding any termination of this Agreement, and subject to any directions from OAG, the Contractor shall take timely and reasonable and necessary action to protect and preserve the property in the possession of Contractor in which OAG has an interest.

E. Additional Provisions. In the event that either party effects an Early Termination, it is expressly provided that OAG may issue a new Request for Proposal with respect to such terminated services. This provision shall not be deemed an admission or waiver of any rights and defense with respect to rights of either Party under this Agreement, including but not limited to, either Parties’ rights to assert damages for breach of Agreement.

V. Contact Person. The Contractor agrees that, during the term of this Agreement, it shall identify a primary contact person who is familiar with the services being performed hereunder and who shall be responsible to the questions and direction of OAG. The contact person must be identified in writing within thirty (30) days after full execution of this Agreement by all parties. OAG reserves the right to request replacement of the contact person designated by the Contractor under this Agreement.

VI. Confidentiality.

A. Information. The Contractor hereby warrants that it shall not disclose any documents, materials or information, whether verbal, written, electronic or digital media or otherwise (collectively, the “Information”), made available or acquired for the purpose of carrying out this Agreement. Only authorized persons shall use and have access to the Information, and then only for the period such access is required to perform services under this
Agreement. All necessary steps shall be taken by the Contractor to safeguard the confidentiality of the Information in conformance with any applicable United States and Guam laws, statutes and regulations.

The Contractor shall keep copies of the Information and the provisions of this Section shall remain in effect as long as determined by OAG. All of the Information shall be returned promptly after use to OAG and all copies or derivations of the Information shall be physically and/or electronically destroyed. Contractor shall include a letter attesting to the complete return of Information and documenting the destruction of copies and derivations with the returned Information.

The Contractor shall not enter into any Agreements or discussions with a third party concerning such Information without the prior written consent of OAG, and then only if the Contractor requires the third party(ies) to agree to the terms of the confidentiality set forth herein and the Information is provided to such third party(ies) only for purposes of enabling the Contractor to discharge its responsibilities under this Agreement.

It is specifically provided that the limitations contained in this paragraph A shall not apply (i) to the extent required by applicable law, (ii) to the extent that any Information is now or hereafter becomes part of the public domain, but only to the limited extent that such Information, or any portion thereof, is in the public domain not as a result of any breach or violation of this Agreement, or (iii) to the extent that a party is directed otherwise under the terms of a valid and effective order, issued by a court of competent jurisdiction.

B. Liability. Failure to comply with the provisions of Paragraph A shall subject the Contractor to liability, including all damages and injunctive relief.

VII. Conflicts of Interests/Ethics

A. The Contractor warrants and covenants that it has not violated and will not violate Guam’s procurement law or regulations pertaining to ethics in public contracting.

B. It is expressly understood that breach of any of the covenants or warranties in this Section on the part of the Contractor is a material breach of this Agreement and shall entitle OAG to immediately terminate this Agreement. Contractor agrees that in the event of a breach or violation of this Section, OAG shall have the right to terminate this or any other Agreement with the Contractor without liability.

C. Notwithstanding the provisions contained in this Agreement with regard to the assignment or subcontracting of any work under this Agreement, Contractor agrees that with respect to any subcontractor it engages to perform any work contemplated by this Agreement that any Agreements it enters into with such subcontractor(s) will include provisions which parallel this Section VII and shall require any subcontractor to execute a statement of no conflict of interests to OAG and provide such statement to OAG.
VIII. Waiver. No waiver by any party of any right on any occasion shall be construed as a bar to or waiver of any right or remedy on any future occasion.

IX. Severability. If any provision of this Agreement shall be held or deemed by a court of competent jurisdiction to be invalid, inoperative or unenforceable, the remaining provisions herein contained shall nonetheless continue to be valid, operative and enforceable as though the invalid, inoperative or unenforceable provision had not been included in the Agreement.

X. Survival of Warranties. All representations, warranties, agreements, covenants and obligations in this Agreement shall be deemed to have been relied upon by the other party, and shall survive the completion of this Agreement and shall not merge in the performance of any obligation by any party hereto.

XI. Fees and Expenses. Each of the Parties shall bear its own expenses in connection with the negotiation and consummation of the transactions contemplated by this Agreement.

XII. Notices. All invoices, reports, correspondence, notices, requests, demands and other communications hereunder shall be in the English Language, in writing. All notices required to be given under this Agreement by either party to the other may be effected by personal delivery, or by mail (registered or certified, postage, prepaid with return receipt requested). Notices delivered personally shall be deemed communicated as of actual receipt. Mailed notices shall be deemed communicated as of the day of receipt or the fifth day after mailing, whichever occurs first. Notices shall be addressed and delivered to the parties as follows, provided that each party may change the address by giving the other party written notice in accordance with this section:

XIII. Assignment/Subcontractors. It is expressly acknowledged that Contractor is solely responsible for the fulfillment of its duties and obligations under this Agreement, regardless of whether or not Contractor utilizes one or more subcontractors for such purpose. The right and interest of Contractor under this Agreement (including, but not limited to, Contractor’s right to or interest in any part of or all payments under this Agreement) may not be assigned, transferred or subcontracted to any other person, firm, corporation or other entity, whether by agreement, merger, operation of law or otherwise, without the prior, express written
consent of OAG. In the event of a permissive subcontract or assignment of this Agreement by Contractor, Contractor agrees that any subcontractors retained by Contractor or assignees shall be subject to all provisions of this Agreement.

**XIV. Successors and Assigns.** This Agreement shall be binding upon, and inure to the benefit of the Parties hereto and their respective successors, assigns and transferees, except as otherwise provided for under the terms of this Agreement.

**XV. Scope of Agreement.** This Agreement and its attachments, the RFP, and Proposal collectively: (i) supersede any and all other Agreements, either oral or in writing, between the Parties hereto with respect to the subject matter hereof, and (ii) contain all of the covenants and Agreements between the Parties with respect to such subject matter in any manner whatsoever. The Contractor and OAG each acknowledge that no representations, inducements, promises or agreement, orally or otherwise, have been made by any party, or anyone acting on behalf of any party, which are not embodied herein, and that no other agreement, statement, or promise not contained in the Agreement shall be valid or binding.

**XVI. Captions.** All Section and paragraph titles or captions contained in this Agreement are for convenience only and shall not be deemed part of the content of the Agreement.

**XVII. Counterparts.** This Agreement may be executed in counterparts, all of which taken together shall be deemed one original.

**XVIII. Governing Law and Forum Selection.** Except to the extent U.S. federal law is applicable, the laws and regulations of Guam shall govern the interpretation, effect, and validity of this Agreement. Any court action shall be exclusively in Guam.

**XIX. Compliance with Laws.**

A. **In General.** The Contractor shall comply with all U.S. and Guam laws, statutes, regulations and ordinances applicable to this Agreement. The Contractor represents and warrants that it is fully licensed to do business in Guam to render the services to be provided herein.

B. **Non-Discrimination in Employment.** The Contractor agrees: (i) not to unlawfully discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, ancestry, or physical or mental handicap; (ii) to include a provision similar to that contained in subsection (i) above in any subcontract or assignment agreement except a subcontract for standard commercial supplies or raw materials; and (iii) to post and to cause subcontractors and/or assignees to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

**XX. Retention and Access to Records and Other Review.** The Contractor, including subcontractors, if any, shall maintain all books, documents, papers, accounting records
and other evidence pertaining to the services performed and costs incurred, and to make such materials available at its respective offices at all reasonable times during the Agreement period and for six (6) years from the date of the final payment under the Agreement, for inspection by OAG. OAG agrees to comply with reasonable requests of Contractor to provide access to all documents and OAG property reasonably necessary to the performance of Contractor’s services under this Agreement. The conditions of this section shall be placed in any subcontract or assignment arising under this Agreement.

XXI. Liability.

A. Indemnification. Contractor shall indemnify and hold harmless OAG and its officers, agents, Board members and employees from or on account of any claims, losses, expenses, injuries, damages, actions, lawsuits, judgments, or liability resulting or arising from (but only to the extent caused or contributed to by) the negligent or wrongful act or omission or the Contractor or its employees, officers, directors, contractors, agents, representatives, successors, or assigns, in the performance or nonperformance of services under this Agreement.

B. OAG not Liable. OAG assumes no liability for any accident, loss, claim, judgment, action or injury that may occur to the Contractor and/or the Contractor’s officers, directors, agents, servants, subcontractors and/or employees, and/or to the personal property of any such person or entity, arising out of the performance of services under this Agreement except to the extent caused or contributed to by the negligent act or omission of OAG. No officer, agent, or employee of OAG shall be liable personally under or by reason of this Agreement or any of its provisions. In addition, OAG assumes no liability for any accident or injury that may occur to Contractor’s officers, directors, employees, agents, or dependents while traveling to and from Guam in furtherance of this Agreement.

XXII. Delays, Extensions and Suspensions. OAG unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of the work for such period of time as it may determine to be appropriate for the convenience of OAG. The Contractor agrees to prosecute the work continuously and diligently apart from those periods of suspension, delay or interruption. Except as otherwise agreed to by the Parties, reasonable time extensions for the performance of Contractor’s services will be granted only for excusable delays that arise from causes beyond the control and without the fault or negligence of the Contractor, including, but not restricted to, acts of God, acts of the public enemy, acts of the Government of Guam or the Government of the United States in either its sovereign or contractual capacity, acts of another contractor in the performance of an agreement with the Government of Guam, fires, floods, typhoons, earthquakes, epidemics, quarantine restrictions, strikes, freight, or embargoes.

XXIII. Modifications including those Due to Public Welfare, Change in Law or Change in Marketing Conditions. OAG shall have the unilateral power to modify the Agreement at any time subject to the written agreement of Contractor. OAG shall have the power to make changes in the Agreement and to impose new rules and regulations on the Contractor under the Agreement relative to the scope and methods of providing services as shall from time-to-time be necessary and desirable for the public welfare or due to a change in law.
OAG shall give the Contractor notice of any proposed change in the Agreement and an opportunity to be heard concerning those matters. The scope and method of providing services as referenced herein shall also be liberally construed to include, but is not limited to, the manner, procedures, operations and obligations, financial or otherwise, of the Contractor. In the event OAG materially alters the obligations of the Contractor, or the benefits to OAG, then the Agreement shall be amended consistent therewith. Should these amendments materially alter the obligations of the Contractor, then the Contractor or OAG shall be entitled to an adjustment in the rates and charges established under the Agreement. Contractor shall be entitled to terminate this Agreement rather than accept modified terms. Nothing contained in the Agreement shall require any party to perform any act or function contrary to law. OAG and the Contractor agree to enter into good faith negotiations regarding modifications to the Agreement, which may be required in order to implement changes in the interest of the public welfare or due to changes in law. When such modifications are made to the Agreement, OAG and the Contractor shall negotiate in good faith a reasonable and appropriate adjustment for any changes in services or other obligations required of the Contractor directly and demonstrably due to any modification in the Agreement under this clause.

XXIV. Independent Contractor and its Employees.

A. Status of Contractor. The Contractor and its officers, agents, servants, subcontractors and employees are independent contractors performing professional services for OAG, and are not employees of OAG. The Contractor and its officers, agents, servants and employees shall not accrue vacation or sick leave, participate in the Government of Guam retirement system, insurance coverage, bonding, use of government vehicles or any other benefits accorded to Government of Guam employees as a result of this Agreement. Contractor agrees that Contractor and its aforementioned employees, officers, directors, agents, servants, and subcontractors are not and will not become an employee, officer or Board member of OAG at any time during the duration of this Agreement, and will otherwise comply with the provisions of the Guam Procurement Law regarding ethics in public contracting (Title 5 Guam Code Annotated, Chapter 5, Article 11, and its associated rules and regulations). Nothing in this Agreement or any action taken under this Agreement shall be deemed or construed in any manner or for any purpose to evidence or establish as between Contractor and OAG a relationship of partnership, agency, association, joint, venture or representative, nor does this Agreement authorize any party to undertake or bind any obligation or responsibility on behalf of the other party. In addition, there shall be no withholding of taxes by OAG for the Contractor.

B. Liability. The Contractor assumes responsibility for its personnel and subcontractors providing services hereunder and will make all deductions and payments for social security and withholding taxes and for contributions to employment compensation funds, or any other payments required by the governments of the U.S. and Guam, if required. Contractor is responsible for paying when due any and all income taxes, gross receipts taxes, or any other taxes or assessments incurred as a result of the services performed by the Contractor and Contractor’s employees or agents under this Agreement or the compensation paid to Contractor for services performed under this Agreement. Furthermore, Contractor shall maintain at the Contractor’s expense all necessary insurance for its employees including but not limited to Worker’s Compensation, Errors and Omissions, and liability insurance for each
employee as required under U.S. and Guam Law and the mandates of the underlying RFP to this Agreement. Contractor agrees to hold harmless and indemnify OAG, its officers, directors, employees, agents, representatives, successors and assigns, for any and all claims, demands, costs, losses, fees, penalties, interest, or damages, including attorney’s fees, which may be brought or asserted due to (i) any injury, death, or property damage arising from the negligence or other wrongful or tortuous acts of Contractor or Contractor’s employees, officers, contractors, directors, agents, representatives, successors, or assigns, or (ii) Contractor’s failure to comply with terms of this subparagraph B.

C. Wage and Benefits Compliance. Contractor warrants it shall comply with all applicable federal and local laws, rules, and regulations regarding the payment of minimum wages and benefits, in particular in accordance with the Wage Determination for Guam issued and promulgated by the U.S. Department of Labor and with Guam Public Law 26-111. Contractor assumes all liability for, and hereby indemnifies OAG from, any violation of any applicable law, rule, or regulation relating to the payment of wages or benefits.

XXV. Disclosure. The Contractor hereby represents that it has disclosed to OAG all matters regarding Contractor which if not disclosed to OAG would materially affect OAG’s decision to enter into this Agreement with Contractor.

XXVI. Disposition of Property and Materials; Intellectual Property Rights.

A. All plans, outlines, briefs, memoranda, studies, reports, analyses and all other work product and materials incidental or otherwise (“Work Product”) which are produced by reason of this Agreement shall be and remain the property of OAG, regardless of whether Contractor is in possession of such Work Product, and may be used by OAG without permission from Contractor and without any additional costs to OAG.

B. All Work Products, including any and all intellectual property rights in said Work Product, arising out of the Agreement shall be the sole and exclusive property of OAG. Contractor explicitly acknowledges that OAG possesses exclusive rights to the Work Product arising out of this Agreement. Contractor shall not use or permit others to use in any way or form the Work Product without the express written consent of OAG.

XXVII. Mandatory Representations by Contractor:

A. Persons Convicted of Sex Offense. Contractor warrants that no person in its employment who has been convicted of a sex offense under the provisions of Chapter 25 of Title 9 Guam Code Annotated or of an offense defined in Article 2 of Chapter 28 of Title 9 Guam Code Annotated, or who has been convicted in any other jurisdiction of an offense with the same elements as heretofore defined, or who is listed on the Sex Offender Registry, shall provide services on behalf of Contractor while on government of Guam property, with the exception of public highways. If any employee of Contractor is providing services on government property and is convicted subsequent to an award of a contract, then Contractor warrants that it will notify OAG of the conviction within twenty-four hours of the conviction, and will immediately remove such convicted person from providing services on government
property. If Contractor is found to be in violation of any of the provisions of this paragraph, then OAG will give notice to Contractor to take corrective action. Contractor shall take corrective action within twenty-four (24) hours of notice from OAG, and Contractor shall notify OAG when action has been taken. If Contractor fails to take corrective steps within twenty-four (24) hours of notice from OAG, then OAG in its sole discretion may temporarily suspend this agreement.

B. **Gratuities and Kickbacks.** Contractor warrants it has not violated, is not violating, and promises that it will not violate the prohibition against gratuities and kickbacks set forth in 2 GAR Division 4 §11107.

C. **Contingent Fees.** Contractor warrants it has not retained a person to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except for retention of bona fide employees or bona fide established commercial selling agencies.

D. **Ethical Standards.** Contractor warrants it has not knowingly influenced and promises that it will not knowingly influence a government employee to breach any of the ethical standards set forth in 5 GCA Chapter 5 Article 11 of the Guam Procurement Act and in Chapter 11 of the Guam Procurement Regulations.

**XXVIII. Disputes.**

a. In accordance with Guam procurement law, all controversies between the territory and the Contractor which arise under, or by virtue of, this contract and which are not resolved by mutual agreement, shall be decided by the OAG procurement officer in writing, within 60 days after written request by the Contractor for a final decision concerning the controversy; provided however that if the procurement officer does not issue a written decision within 60 days after written request for a final decision, or within such longer period as may be agreed upon by the parties, then the Contractor may proceed as if an adverse decision had been received. The procurement officer shall immediately furnish a copy of the decision to the Contractor, by certified mail, return receipt requested, or by any other method that provides evidence of receipt. Any such decision shall be final and conclusive, unless fraudulent, or the Contractor brings an action seeking review of the decision before the Guam Office of Public Accountability. The Contractor shall comply with any decision of the procurement officer and proceed diligently with performance of this contract pending final resolution by the Office of Public Accountability or the Superior Court of Guam of any controversy arising under or by virtue of this contract, except where there has been a material breach of the contract by OAG; provided, however, that in any event the Contractor shall proceed diligently with the performance of the contract where OAG has made a written determination that continuation of work under the contract is essential to public health and safety.

b. Any disputes for expenses incurred in reliance upon this Agreement shall be subject to the Government Claims Act found at Title 5, Guam Code Annotated, Chapter 6.
**XXIX. Attachments, Exhibits, Schedules, and Entire Agreement.** This Agreement, including its Attachments, Exhibits and Schedules, constitutes the entire Agreement and supersedes all prior written or oral understandings. No Agreement, oral or written, expressed or implied, has been made by any party hereto, except as expressly provided herein. All prior Agreements and negotiations are superseded hereby. This Agreement and any duly executed amendments hereto constitute the entire Agreement between the Parties hereto.

**XXX. Computation of Time.** Whenever this Agreement provides for a time period of ten (10) days or less days, weekends and Government of Guam holidays are not included in the computation. When this Agreement provides for a time period of over ten (10) days, weekends and Government of Guam holidays are to be included in the computation.

**XXXI. Partial Invalidity.** If any provision of this Agreement shall be deemed by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall continue to be in full force and effect.

**XXXII. Amendments/Modifications.** Any amendment or modification to this Agreement will be effective only if it is in writing and signed by both parties.

A. **Changes To Work.** Any modifications to the services or equipment to be delivered pursuant to this Agreement, and the compensation therefor, may be made by a written Change Order signed by an authorized representative of OAG and Contractor. A Change Order may only be made on the conditions that the work to be performed by a Change Order is not inconsistent with the scope of work under this Agreement, and that where there is an increase in the costs for services, OAG shall certify in writing that funds are available for the increased costs prior to such Change Order becoming effective.

B. **Extension of Time to Perform Services.** This Agreement may be modified to extend time for Contractor to perform services upon writing signed by OAG and Contractor. A modification to extend time to perform services under this Agreement may only be made on the condition that such modification shall not increase the costs for services hereunder.
