The opinions and conclusions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions or conclusions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to my attention after the date hereof. We call attention to the fact that the rights and obligations under the Government Agreements and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against the Government. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), arbitration, choice of law, choice of forum, choice of venue, waiver or severability provisions contained in the aforementioned documents, and we express no opinion as to the availability of equitable remedies to persons seeking to enforce the obligations of the Government.
Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions or conclusions:

(i) the Government is as of the date hereof the duly organized and validly existing government of the territory of Guam and has full legal right, power and authority to enter into and perform the Government Agreements, to authorize the execution and delivery by the Trustee of the Certificates and to carry out and consummate all transactions required of it as contemplated by the Government Agreements;

(iv) the enactment or adoption of the Act and the execution and delivery of the Government Agreements, and the consummation of the transactions contemplated thereby, and the compliance with the provisions thereof, will not conflict with or constitute on the part of the Government a breach of or a default under any existing law, administrative regulation, court order or consent decree of the Government or any department, division, agency or instrumentality of the United States, to which the Government is subject, or any agreement, resolution or instrument to which the Government is a party or may otherwise be subject;

(v) all approvals, consents or orders of any governmental authority, board, agency or commission having jurisdiction the obtaining of which would constitute a condition precedent to the performance by the Government of its obligations under the Government Agreements and which can reasonably be obtained by the date hereof have been obtained;

(vi) There is no litigation or proceeding pending (with service of process having been received by the Government or otherwise known to me) or, to my knowledge, threatened and having merit (either in Guam, state or federal courts), in any way contesting or affecting the existence of the Government or the title of any official of the Government to such person's office, or seeking to restrain or to enjoin the issuance, sale or delivery of the Certificates, or the use of Available Funds for the payment of the principal of and interest or premium, if any, represented by the Certificates, or in any way contesting or affecting the validity or enforceability of the Act, the Certificates or the Government Agreements, or contesting the power or authority of the Government with respect to the
Certificates or the Government Agreements;

(vii) As of the date of the Purchase Agreement and as of the date hereof, the statements in the Official Statements under the captions “CONTINUING DISCLOSURE” and “NO LITIGATION” (insofar as the information in such sections pertains to the Government) are accurate in all material respects; and

(viii) We have no reason to believe that the Official Statements, as of their date and as of the date hereof, contained or contain any untrue statement of a material fact or omitted or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (except for any financial statements and other financial and statistical data included in the Official Statements and the Appendices thereto, as to which no view is expressed).

This letter is not intended to be, nor may it be relied upon, used, quoted or referred to in connection with any securities offering or public offering of the Certificates or any participation interest in the Certificates.
